House League Report
First Closing weekend was tough because of all the rain. It was noted that both Jeff Ellis & Doug Scott did a good job to get as many as the games back on track

Second Closing Weekend: The weather was very cooperative and we got all the games in. In the women's division there were a few games that went to international tie breaker. The men's division started playoffs on Thursday and end on Saturday.

Still problems with some coaches in the lower divisions. It's mainly a lack of team practices

Awards: There was a positive response to this year's dog tags. There is a thought something else must be added to Champion & Finalist hardware
